Subject Letter No. 546 dated 30th March 1904 from the Deputy Comm. Mysore District submitting for Sanction a bill for Rs 157. being the commission to be paid to one Lakshmansingh for having opened a temporary shop near the new race course from the 26th September to the 10th October 1903 for the Convenience of the Imperial Service Regiment ordered for Special duty during the last Dasara.

The Dy Comm. reports that the bazaar was opened as per Chief Commandant's requisition and says that the cost may be met out of Rs 100/- provided in the Budget (for 1903-04) for Contingencies 24 Miscellaneous under the head

The source pointed out by the Dy Comm^r does not seem to be appropriate as the bazaar was opened ~~at~~ on the orders of the Chief Commandant. Under such circumstances orders are solicited as to whether the expenditure ~~may~~ should be debited to 6 "other charges under the head 25 "Military" (7) Miscellaneous charges at page 142 of the Budget. In that case the paper will have to be transferred to the Military Secretary's ~~Department~~

Secretary

31/5/04 The Classification in the public accounts should have closer reference to the department in which the expenditure occurs. Vide Art 1006 of Civil Account Code Vol 2. The expenditure in question was incurred at the instance of the Chief Commandant, the arrangements to open the shop however, being made by the Local Revenue authorities & it would appear to be a proper charge against 25 Military and not 24 Mis.
